

Direction

A legend for the 'Direction' variable, consisting of a vertical line with an upward-pointing arrow.

```
ggraph(...) +  
  geom_edge_link(...) +  
  geom_edge_link(  
    aes(filter = mutual),  
    colour = 'forestgreen',  
    alpha = 0.5) +  
  geom_node_point() +  
  scale_edge_color_gradient(...) +  
  theme_graph()
```

Exploring edges

Exploring edges

```
ggraph(...) +  
  geom_edge_link(...) +  
  geom_edge_link(  
    aes(filter = mutual),  
    colour = 'forestgreen',  
    alpha = 0.5) +  
  geom_node_point() +  
  scale_edge_color_gradient(...) +  
  theme_graph()
```

Exploring nodes

```
ggraph(...) +  
  geom_edge_link(...) +  
  geom_edge_link(...) +  
  geom_node_point(  
    aes(size = followers_count,  
        fill = type),  
    shape = 21  
  ) +  
  scale_edge_color_gradient(...) +  
  scale_fill_brewer(  
    'Area',  
    palette = 'Set1'  
  ) +  
  scale_size_area(  
    '# Followers',  
    trans = 'log10'  
  ) +  
  theme_graph()
```
